I, _____, understand that this instrument is the property of West County High School/The Band Wagon, and is being loaned to me for use during the 2021-22 school year. My parents/guardians and I are responsible for any theft, damage which can include repair charges incurred while the instrument is in my possession. If the instrument requires repair during use, you must report it immediately, and you will have an option to use our instrument vendors for repair.

This instrument will be returned to the director at the end of the school year or earlier if I discontinue my involvement in the music program.

It is strongly recommended that students carry insurance on these instruments. In the event the instrument is severely damaged, lost, stolen, etc., this coverage can save your family from a serious financial burden. Sometimes instrument coverage is included homeowner's or renter's insurance policies – check with your insurance agent.
